SUBJECT School Shooting, CHILD AB/NEG C.A.D. #07-396956

COPIES TO Chief's Office, Third District Commander, Homicide Unit, C.P.P.A. & District Files

Sir:

On Tuesday October 10, 2007 at approximately 1430 hrs I was ordered by Homicide Unit O.I.C. Lt Petkac to type the following Form-1. Per Lt. Petkac I am to detail the events of my initial response to a school shooting at

CHILD AB/NEG The following are the details of the event.

On Tuesday October 10, 2007 I was assigned to C.S.U. car #319 with my partner P.O. Jeffrey Petkac #522. We were at the Third District completing paperwork in connection with an earlier school curfew detail. At 1311 hrs we received a radio broadcast (C.A.D. #07-396956) for any cars to respond to CHILD AB/NEG in connection with shoots fired inside the school.

My partner and I immediately ran outside of the district to our patrol car. Once at the car my partner notified Channel #3 radio that we would be responding and were en rout. Within sixty to ninety seconds we arrived on scene. Also arriving on scene simultaneously were members of z/c #323 P.O. Joyce #1319 and P.O. Greczanik #1644 and car #354 Sgt. Burner #9820. (All three cars responded from the Third District.)

Members of cars #354, #323 and #319 pulled in front of the main entrance of 1440 Lakeside. My partner advised radio of our arrival. We all ran into the building. Once inside we were advised by the building's staff that there was a shooting inside, multiple shoots fired. We were also told that shooter was a white male and he was on the third or fourth floor. Sgt. Burner divided the officers one scene into two teams. Sgt. Burner with members of car #323 went to the building's eastern stairwell up to the fourth floor. My partner and I went to the western stairwell up to the third floor.

Once on the third floor my partner and I began clearing the area. After Quickly clearing the third floor members of the other team, Sgt. Burner and P.O.s Joyce #1319 and Greczanik #1644 received information that the shooter was on the fourth floor. My partner and I proceeded to the forth floor where we began clearing the fourth floor with Sgt. Burner, P.O. Joyce #1319 and Greczanik #1644

Once on the fourth floor numerous other Third Units responded, and were on the floor with us. The floor was quickly cleared. A body was found in a open classroom in the northeast corner of the building. The body had a gun nearby and appeared to have suffered a self inflicted gun shoot wound. My partner and I were not the officers who initially found the body. I do not know who did.

Not knowing if there were any other shooters, officers on scene continued to search the building. Victims were located in various parts of the Fourth floor, along with students and faculty. Eventually the victims were treated by fire and E.M.S. personnel. The victims along students and faculty were evacuated.

Respectfully,

P.O. Douglas P. Nichols
